Dear Mr. Geary:

Thank you for your nice letter.

It is quite surprising that our signal could be heard so far away. Your time, station, and program is correct. Gravois Home Savings and Loan Association has a newscast at 5:30 daily.

Our power is 38,000 Watts E.R.P., our tower height is 350 feet above average terrain.

Keep listening and enjoying your DX listening.

Sincerely,

Homer Griffith
